MEMORANDUM FOR: Office of General Counsel

ATTENTION :

25X1A

SUBJECT :

Agreement Between CIA and the Secret
Service Concerning Presidential
Protection

1. Reference is made to your memoranda of 19 June 1968 (OGC 68-1117) and 16 August 1968 on the captioned Subject. The proposed revision has been reviewed by appropriate components of this Office and is considered to be acceptable, although it is suggested that in Paragraph IV-B, the second sentence be revised to read: "The persons to be detailed may perform either an armed security or a technical security function."

2. With the exception of the above minor change, the amended agreement appears to adequately spell out the existing agreement between the Secret Service and this Agency.

MEMORANDUM FOR: Chief, E&PD

SUBJECT : Secret Service Agreement Concerning
Presidential Protection

1. I have discussed the attached revision of the Secret Service Agreement with the Chief, Executive Staff who agrees that it would be appropriate for the Executive Staff to coordinate the revision in the Office of Security.

25X1A

2. I have read the revision and it appears suitable from the standpoint of the Office of Security. I see no reason for the addition of "or other" in IV-A, but believe it is meant to apply to audio countermeasures teams. In this regard, I suggested to [REDACTED] that the term technical security be utilized instead of audio countermeasures. I see that in IV-B he mentions technical support which could include positive as well as countermeasures. Therefore, I would suggest that this be changed to technical security.

3. The addition to I-A, referring to overseas responsibility, was revised since there is no separate agreement with the Secret Service in regard to overseas support as was indicated in the original Agreement. [REDACTED] of CI Staff has indicated to me that he would prefer to omit any reference to overseas support from the attached Agreement which basically refers to domestic support.

4. I will be glad to discuss this further if you so desire.
